

BROCHURE DISTRIBUTION

March 28, 2017

**New Subscribers Get
10% OFF!**

Dear Tourism Industry Member,

Henley Graphics is in its 27th year of providing tourism brochure distribution to Ashland, Knox, Richland, Wayne and Holmes counties. **With 110 distribution sites** and great brochures in our racks that command attention, our brochure distribution service creates impact for the tourism industry. **Many people pick up brochures and learn about businesses they otherwise would not have.**

Whether your business is a local gift shop or a statewide attraction, you too can benefit from having your brochures stocked in up to 110 high traffic sites in our distribution territory that includes the Mansfield, Mohican and Amish Country areas. Please see the attached sheet for our complete list of distribution sites.

To best serve our clients, our distribution territory is divided into three zones. For the best value of \$675/year we will distribute your brochure to all three zones, or if you prefer, we can target your brochure to the zone of your choice for just \$325/year. Two zones is \$525/year. Visitor Guides with 32 pages (panels) or more have a base price of \$880 for all three zones. Most of our distribution sites have our attractive wood stationary or carousel racks.

Enclosed is a list of 84 businesses that currently subscribe to our service. When all three zones are selected, we distribute anywhere from 7,500 to 20,000 brochures or visitor guides annually, depending on the type of business and the attractiveness of the brochure.

New subscribers get 10% off! We'll also give you the time prior to May 31, 2017 FREE! To sign up, just return the enclosed order form and deliver a supply of brochures to us. If you are within our five county service area, just call us to have us pick up your brochures. Distribution of your brochure will begin immediately and last through May 31, 2018. Send no money now. We will bill you upon receipt of your brochures (terms: 1/3 payments at 30, 60 & 90 days). Our subscription year runs from June 1 to May 31, so your first year subscription will be pro-rated for the months you join after June 1.
