BROCHURE DISTRIBUTION NEWSLETTER

Brochure Distribution Service - Henley Graphics is beginning its 36th year in providing brochure distribution in the Mansfield, Mt. Vernon, Mohican, Ashland and Amish Country areas. Whether you are a statewide tourist destination or a regional attraction, your business will benefit from having your brochure or rack card displayed in about 83 qualified distribution sites throughout our five counties.

VALUE, VALUE, VALUE!

Sure, purchasing all three of our distribution zones is our best pricing value, but what if you can only budget about $355? Having your brochures in locations when the visitor is closest to you is probably the best chance of getting that visitor to your business! You do that by purchasing one zone for $355/year. Two zones is $570/year and three zones is $730/year.

For $355, you can select one of the following zones to distribute your brochures:

ZONE 1 (29 locations)	ZONE 2 (29 locations)	ZONE 3 (25 locations)
Mansfield/Mount Vernon	Mohican/Loudonville	Ashland & Amish Country Area

What is the best value for you? One, two, or three zones?

Enclosed is a current list of all our distribution sites with our zones.

If you are within our service area and would like a brochure rack, please contact us.
